PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Titan Pharmaceuticals, Inc. (the "Company") for the Annual Meeting of Shareholders to be held at the offices of the Company, 400 Oyster Point Boulevard, Suite 505, South San Francisco, California 94080 on July 29, 1997, at 8:30 a.m. and for any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Any shareholder giving such a proxy has the power to revoke it at any time before it is voted. Written notice of such revocation should be forwarded directly to the Secretary of the Company, at the above stated address.

If the enclosed proxy is properly executed and returned, the shares represented thereby will be voted in accordance with the directions thereon and

otherwise in accordance with the judgment of the persons designated as proxies. Any proxy on which no direction is specified will be voted in favor of the actions described in this Proxy Statement and for the election of the nominees set forth under the caption "Election of Directors."

The approximate date on which this Proxy Statement and the accompanying form of proxy will first be mailed or given to the Company's shareholders is June 25, 1997.

Your vote is important. Accordingly, you are urged to sign and return the accompanying proxy card whether or not you plan to attend the meeting. If you do attend, you may vote by ballot at the meeting, thereby cancelling any proxy previously given.

VOTING SECURITIES

Only holders of shares of common stock, \$.01 par value per share ("Common Stock"), of record at the close of business on June 23, 1997 are entitled to vote at the meeting. On the record date, the Company had outstanding and entitled to vote 13,046,102 shares of Common Stock, each entitled to one vote upon all matters to be acted upon at the meeting. A majority in interest of the outstanding Common Stock represented at the meeting in person or by proxy shall constitute a quorum. The affirmative vote of a plurality of the Common Stock so represented is necessary to elect the nominees for election as directors and the affirmative vote of a majority of the Common Stock so represented, excluding broker non-votes, is necessary to approve and ratify the proposed amendment to the Amended and Restated Certificate of Incorporation (the "Certificate") and the appointment of Ernst & Young LLP, as the independent auditors of the Company. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. If a shareholder, present in person or by proxy, abstains on any matter, the shareholder's shares will not be voted on such matter. Thus, an abstention from voting on any matter has the same legal effect as a vote "against" the matter even though the shareholder may interpret such action differently. Except for determining the presence or absence of a quorum for the transaction of business, broker non-votes are not counted for any purpose in determining whether a matter has been approved.

CERTAIN TRANSACTIONS

In March and April 1993, the Company borrowed an aggregate of \$700,000 from Dr. Lindsay A. Rosenwald, the co-founder and a director of the Company. See "Principal Shareholders." In June 1995, the notes, together with accrued interest, were cancelled in consideration of the issuance to Dr. Rosenwald of shares of Series A Preferred Stock which subsequently converted into 215,135 shares of Common Stock.

In April and May 1993, Dr. Rosenwald made loans to the Company in the aggregate principal amount of \$1,014,000. Such loans were repaid, together with accrued interest at the rate of 7% per annum, from the proceeds of the private placement of Series A Preferred Stock described below.

Between July and November 1993, Paramount Capital, Inc. ("Paramount") acted as placement agent in connection with the Company's private placement of Series A Preferred Stock. Paramount received \$1,729,575 in commissions and a \$576,525 expense allowance in consideration for its services. In addition, designees of Paramount received warrants to purchase Series A Preferred Stock in connection with the private placement which currently represent warrants to purchase an aggregate of 469,107 shares of Common Stock exercisable at \$4.50 per share. Dr. Rosenwald serves as the President and Chairman of Paramount. Dr. Rosenwald received warrants to purchase 221,221 of the aforementioned shares of Common Stock.

In January 1995, the Company agreed to issue warrants to purchase an aggregate of 7,395 shares of Common Stock at an exercise price of \$3.25 per share to Ray Dirks Research ("RDR") or its designees for services rendered in connection with a license transaction. Michael Hsu, a director of the Company, serves as a consultant to RDR and received one-half of such warrants.

In February 1995, Paramount acted as placement agent in connection with the Company's private placement of Series B Preferred Stock. Paramount received \$103,125 in commissions and a \$45,375 expense allowance for services rendered in connection with such private placement. In addition, designees of Paramount

received Series B Preferred Stock purchase warrants which currently represent warrants to purchase an aggregate of 46,350 shares of Common Stock at an exercise price of \$3.92 per share. Dr. Rosenwald received warrants to purchase 17,961 of such shares.

Between August and October 1995, The Aries Domestic Fund L.P. and The Aries Trust loaned the Company an aggregate of \$250,000 evidenced by the promissory notes (the "Investor Notes") which bore interest at the rate of 12% per annum and were payable on the earlier of the closing of an initial public offering or one year from the date of issuance. In accordance with their terms, the principal amount of the Investor Notes was converted into \$250,000 principal amount of 10% promissory notes (the "Bridge Notes") and 125,000 Class A Warrants as part of a bridge financing completed in October 1995. Accrued interest on the Investor Notes was repaid in January, 1996. Repayment of the principal and accrued interest on the Bridge Notes was made upon completion of the Company's initial public offering in January 1996. Dr. Rosenwald is the President of the general partner of The Aries Domestic Fund L.P. and serves as investment manager for The Aries Trust.

The Company believes that all of the transactions set forth above were made on terms no less favorable to the Company than could have been obtained from unaffiliated third parties. The Company has adopted a policy that all future transactions, including loans, between the Company and its officers, directors, principal shareholders and their affiliates will be approved by a majority of the Board of Directors, including a majority of the independent and disinterested outside directors on the Board of Directors, and will continue to be on terms no less favorable to the Company than could be obtained from unaffiliated third parties.

APPROVAL AND RATIFICATION OF THE AMENDMENT TO THE
AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

The Board of Directors has adopted and recommends to the shareholders approval of a proposed amendment to the Company's Certificate to increase the authorized number of shares of Common Stock from 30,000,000 to 50,000,000. The proposed increase in the authorized numbers of shares of Common Stock has been recommended by the Board of Directors to assure that an adequate supply of authorized unissued shares of Common Stock is available for general corporate needs.

As of June 23, 1997, in addition to the 13,046,102 shares of Common Stock outstanding, the Company had (i) an aggregate of 1,611,437 shares of Common Stock reserved for issuance upon exercise of options granted under the Company's 1993 and 1995 Stock Option Plans, of which options to purchase 1,391,572 shares of Common Stock are outstanding and (ii) 8,795,522 shares of Common Stock issuable upon exercise of other outstanding options and warrants; leaving approximately 6,546,939 additional shares of Common Stock available for issuance. If the amendment to the Certificate is approved, there will be 26,546,939 authorized shares of Common Stock available for issuance, on such terms and conditions as may be determined by the Board of Directors.

While the Company has no specific plans, arrangements, or agreements to issue shares of Common Stock other than those described above, the Board of Directors believes it is advisable and in the best interests of the Company to have available authorized but unissued shares of Common Stock in an amount adequate to provide for the future needs of the Company. The additional authorized shares of Common Stock will benefit the Company by providing flexibility to the Board of Directors without further action or authorization by shareholders (except as required by law), in responding to business needs and opportunities as they arise, or for other proper corporate purposes. These corporate purposes might include acquisitions of property, technology rights or securities of other corporations, stock dividends, stock splits, employee stock options, convertible debt financings, the obtaining of capital funds through public and private offerings of shares of Common Stock or of securities convertible into technologies or other assets, or to compensate employees or retain consultants. The issuance of any additional shares of Common Stock will be on terms deemed to be, at the time of such issuances, in the best interests of the Company and its shareholders. If such additional authorized shares of Common Stock are subsequently issued to other than existing shareholders, the percentage interest of existing shareholders in the Company will be reduced. Holders of shares of Common Stock have no pre-emptive rights with respect to future issuances of shares of Common Stock.

The Board of Directors is not aware of any attempt to gain control of the Company nor is it recommending this amendment to increase the number of authorized shares of Common Stock in response to any specific effort to obtain control of the Company. The proposed amendment to increase the number of authorized shares of Common Stock is not designed as nor intended to be an

anti-takeover measure; however the authorized but unissued shares of Common Stock could be used by incumbent management to make a change in control of the Company more difficult and time-consuming. Under certain circumstances, such unissued shares of Common Stock could be used to create obstacles or to frustrate persons seeking to effect a takeover or otherwise gain control of the Company with a view to instituting a merger, sale of all or part of the Company's assets, or other similar transaction which may not be in the best interest of the shareholders.

It is expected that the proposed amendment, if approved by the shareholders, will be made effective on or about August 4, 1997 by the filing and recording of an appropriate Certificate of Amendment as required under Delaware law.

The Board of Directors recommends a vote FOR the proposed amendment, and the persons named in the accompanying proxy will vote in accordance with the choice specified thereon or, if no choice is properly indicated, in favor of the amendment.
