PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Titan Pharmaceuticals, Inc. (the "Company," "Titan," "we," "us," or "our") for the Annual Meeting of Stockholders to be held at the offices of the Company, 400 Oyster Point Boulevard, Suite 505, South San Francisco, California 94080 on August 31, 2004, at 9:00 a.m. and for any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Any stockholder giving such a proxy has the power to revoke it at any time before it is voted. Written notice of such revocation should be forwarded directly to the Secretary of the Company, at the above stated address.

If the enclosed proxy is properly executed and returned, the shares represented thereby will be voted in accordance with the directions thereon and otherwise in accordance with the judgment of the persons designated as proxies. Any proxy on which no direction is specified will be voted in favor of the actions described in this Proxy Statement and for the election of the nominees set forth under the caption "Election of Directors."

The approximate date on which this Proxy Statement and the accompanying form of proxy will first be mailed or given to the Company's Stockholders is July 30, 2004.

Your vote is important. Accordingly, you are urged to sign and return the accompanying proxy card whether or not you plan to attend the meeting. If you do attend, you may vote by ballot at the meeting, thereby canceling any proxy previously given.

VOTING SECURITIES

Only holders of shares of common stock, \$.001 par value per share (the "Shares"), of record at the close of business on July 9, 2004 are entitled to vote at the meeting. On the record date, the Company had outstanding and entitled to vote 32,119,635 Shares. For purposes of voting at the meeting, each Share is entitled to one vote upon all matters to be acted upon at the meeting. A majority in interest of the outstanding Shares represented at the meeting in person or by proxy shall constitute a quorum. The affirmative vote of a plurality of the Shares so represented is necessary to elect the nominees for election as directors and the affirmative vote of a majority of the Shares so represented, excluding broker non-votes, is necessary to ratify the appointment of Ernst & Young LLP, independent certified public accountants, as the independent auditors of the Company. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. If a stockholder, present in person or by proxy, abstains on any matter, the stockholder's shares will not be voted on such matter. Thus, an abstention from voting on any matter has the same legal effect as a vote "against" the matter even though the stockholder may interpret such action differently. Except for determining the presence or absence of a quorum for the transaction of business, broker non-votes are not counted for any purpose in determining whether a matter has been approved.

During 2003, each director was granted an annual option to purchase 5,000 shares of our common stock at an exercise price of \$3.29, which was equal to the fair market value of our common stock at date of grant, with respect to each committee of the Board on which each director served. In addition to having their out-of-pocket expenses reimbursed, non-employee directors received \$2,500 for each Board of Directors meeting attended in 2003. Directors are not precluded from serving us in any other capacity and receiving compensation therefore.

We are a party to a consulting agreement with Dr. Ernst-Günter Afting pursuant to which he receives fees of \$7,000 annually.

Board Committees

The Board of Directors has an Executive Committee, a Compensation Committee, a Nominating Committee and an Audit Committee.

Executive Committee. The Executive Committee exercises all the power and authority of the Board of Directors in the management of Titan between Board meetings, to the extent permitted by law. During 2003, the Executive Committee met twice.

Compensation Committee. The Compensation Committee makes recommendations to the Board of Directors concerning salaries and incentive compensation for our officers, including our Chief Executive Officer, and employees and administers our stock option plans. The Compensation Committee consists of three directors, each of whom meets the independence requirements and standards currently established by the American Stock Exchange. During 2003, the Compensation Committee met once.

Nominating Committee. The Nominating Committee was recently formed in March 2004 and consists of three directors, each of whom meets the independence requirements and standards currently established by the American Stock Exchange. The purpose of the Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become board members, in determining the composition of the Board of Directors and in monitoring a process to assess Board effectiveness. The Nominating Committee operates under a written charter which is filed as Appendix B to this Proxy Statement.

The Nominating Committee may consider those factors it deems appropriate in evaluating director nominees, including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to us, experience and skill relative to other board members, and specialized knowledge or experience. Depending upon the current needs of our Board, certain factors may be weighed more or less heavily by the Nominating Committee. In considering candidates for our Board, the Nominating Committee will evaluate the entirety of each candidate's credentials and, other than the eligibility requirements established by the Nominating Committee, will not have any specific minimum qualifications that must be met by a nominee. The Nominating Committee will consider candidates for the Board from any reasonable source, including current board members, stockholders, professional search firms or other persons.

Audit Committee. The Audit Committee consists of three directors, each of whom meets the independence requirements and standards currently established by the American Stock Exchange and the SEC. In addition, the Board of Directors has determined that Mr. Ley Smith is an "audit committee financial expert" and "independent" as defined under the relevant rules of the SEC and the American Stock Exchange. The Audit Committee assists the Board by overseeing the performance of the independent auditors and the quality and integrity of Titan's internal accounting, auditing and financial reporting practices. The Audit Committee is responsible for retaining (subject to stockholder ratification) and, as necessary, terminating, the independent auditors, annually reviews the qualifications, performance and independence of the independent auditors and the audit plan, fees and audit results, and pre-approves audit and non-audit services to be performed by the auditors and related fees. The Board has adopted an amended written charter for the Audit Committee which is filed as Appendix A to this Proxy Statement. During 2003, the Audit Committee met three times.

Meetings of the Board

The Board of Directors met seven times during 2003. Each director is expected to attend meetings of our Board of Directors and meetings of committees of our Board of Directors of which he is a member, and to spend the time necessary to properly discharge his respective duties and responsibilities. During 2003, each incumbent director attended at least 75% of the total number of meetings of our Board of Directors and meetings of committees of our Board of Directors of which he was a member. We do not have a policy with regard to Board members' attendance at annual meetings of stockholders. Our Chairman, Dr. Bucalo, attended the 2003 annual meeting of stockholders.

Communications With the Board of Directors

The Board of Directors maintains a process for stockholders to communicate with the Board. Stockholders wishing to communicate with the Board or any individual director must mail a communication addressed to the Board or the individual director to the Board of Directors, c/o Titan Pharmaceuticals, Inc., 400 Oyster Point Boulevard, Suite 505, South San Francisco, California 94080. Any such communication must state the number of shares of common stock beneficially owned by the stockholder making the communication. All of such

communications will be forwarded to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is clearly of a marketing nature or is unduly hostile, threatening, illegal, or similarly inappropriate, in which case we have the authority to discard the communication or take appropriate legal action regarding the communication.

AUDIT COMMITTEE REPORT (1)

The Audit Committee operates pursuant to its adopted charter. Members of the Audit Committee are independent, within the meaning of Section 121(A) of the American Stock Exchange Listing Standards, Policies and Requirements.

The Audit Committee oversees the Company's financial control and reporting processes on behalf of the Board of Directors. Management is responsible for the financial reporting process including the systems of internal control, and for the preparation of consolidated financial

statements in accordance with generally accepted accounting principles in the United States. The independent auditors are responsible for planning and performing an audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States, and expressing an opinion on those financial statements based on their audit.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2003 with management and the independent auditors, including a discussion of the adoption of accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements and those matters required to be discussed under SAS 61. In addition, the Audit Committee has received the written disclosures and letter from the independent auditors as required by Independence Standards Board No. 1, and has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board No.1.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to stockholder approval, the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2004.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION (1)

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive compensation and the creation of stockholder value, while at the same time attracting, motivating and retaining experienced executive officers. The Compensation Committee's informal executive compensation philosophy (which applies generally to all executive officers of the Company, including the President and Chief Executive Officer) considers a number of factors, which may include:

- providing levels of compensation competitive with companies in comparable industries which are at a similar stage of development and in the Company's geographic area;
- identifying appropriate performance goals for the Company;
- integrating the compensation of the executive officers of the Company with the achievement of performance goals;
- rewarding above average corporate performance; and
- recognizing and providing incentive for individual initiative and achievement.

The executive officers receive base salaries pursuant to the terms of their employment agreements with the Company. See "Executive Compensation — Employment Contracts, Termination of Employment and Change-in-Control Arrangements." Cash and option bonus awards are determined based on a range of measures and internal targets set before the start of each fiscal year and in part by comparison to the compensation of executive officers of comparable biotechnology and pharmaceutical companies. The Compensation Committee considers the Company's performance under these measures and uses its subjective judgment and discretion in approving individual compensation. During fiscal 2003, the annual option grants to the Company's executive officers reflected the Company's recognition of the milestones the executive officers assisted the Company in achieving during the year.

The Compensation Committee endorses the position that equity ownership by the executive officers of the Company is beneficial in

aligning their interests with those of our stockholders, especially in the enhancement of stockholder value by providing the executive officers with longer-term incentives. The Compensation Committee has implemented its policy on longer-term compensation to executive officers, including the Chief Executive Officer, generally by granting to an executive officer upon joining the Company stock options with vesting over a period of 48 months commencing from the date of grant but requiring at least 12 months of employment for any option to vest. During fiscal 1997, the Compensation Committee made a determination to implement an annual option grant program to executive officers to be based upon the findings in the Radford Associates-Biotechnology Compensation Survey, 1997. During fiscal 1998, the first annual option grants based on the results of such survey were made.

The Compensation Committee also approved the terms and provisions of the one-year extension of Dr. Bucalo's employment agreement.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

We are a party to an employment agreement with Dr. Bucalo expiring in February 2007 that provides for a base annual salary of \$210,000, subject to annual increases of 5% and bonuses of up to 25% at the discretion of the Board of Directors. In the event of the termination of the agreement with Dr. Bucalo, other than for reasons specified therein, we are obligated to make severance payments equal to his base annual salary for the greater of the balance of the term of the agreement or 18 months.

Employment agreements with each of Dr. Allen, Mr. Bhonsle and Mr. Farrell provide for a base annual salary of \$185,000 subject to automatic annual increases based on increases in the consumer price index, and bonuses of up to 20% at the discretion of the Board of Directors. In the event the employee's employment is terminated other than for "good cause" (as defined in each employment agreement), we

are obligated to make severance payments equal to the base annual salary for six months. All of the agreements contain confidentiality provisions.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who beneficially own more than 10% of a registered class of our equity securities to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Such executive officers, directors, and greater than 10% beneficial owners are required by SEC regulation to furnish us with copies of all Section 16(a) forms filed by such reporting persons.

There was a failure to timely file Form 4s to report the October 31, 2003 automatic grants of stock options to members of each of the committees of the Board. Based solely on our review of such forms furnished to us and written representations from certain reporting persons, we believe that all other filing requirements applicable to our executive officers, directors and greater than 10% beneficial owners were complied with during 2003.

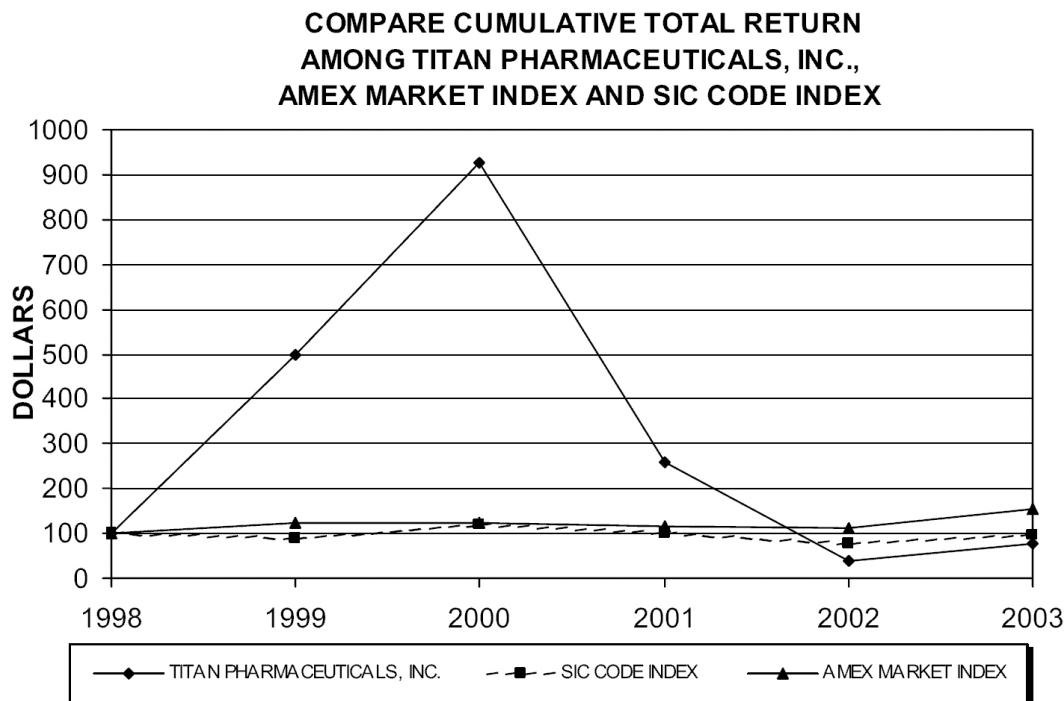

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Members of our Compensation Committee of the Board of Directors were Dr. Eurelio M. Cavalier, Dr. Hubert E. Huckel and Dr. Konrad M. Weis. No member of our Compensation Committee was, or has been, an officer or employee of Titan or any of our subsidiaries.

No member of the Compensation Committee has a relationship that would constitute an interlocking relationship with Executive Officers or Directors of the Company or another entity.

PROPOSAL NO. 2

SELECTION OF INDEPENDENT AUDITORS

Subject to ratification by the stockholders, the Audit Committee has reappointed Ernst & Young LLP as independent auditors to audit the financial statements of the Company for the fiscal year ending December 31, 2004. Ernst & Young LLP was the independent auditor for Titan for its fiscal year ended December 31, 2003.

A representative of Ernst & Young LLP is expected to be present at the annual meeting, with the opportunity to make a statement, if he or she desires to do so, and is expected to be available to respond to appropriate questions.

If the selection of Ernst & Young LLP is not ratified, or if prior to the next annual meeting of stockholders such firm shall decline to act or otherwise become incapable of acting, or if its engagement shall be otherwise discontinued by the Board of Directors, the Board of Directors will appoint other independent auditors whose selection for any period subsequent to the next annual meeting will be subject to stockholder ratification at such meeting.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF APPOINTMENT OF ERNST & YOUNG LLP AS TITAN'S INDEPENDENT AUDITORS FOR 2004.

Fees of Independent Auditor

Aggregate fees billed to us by Ernst & Young LLP during the fiscal years ended December 31, 2003 and 2002 were:

	<u>2003</u>	<u>2002</u>
Audit Fees	175,500	140,381
Audit-Related Fees	9,900	95,783
Tax Fees	63,900	76,740
All Other Fees	—	—
Total	<u>249,300</u>	<u>312,904</u>

Audit Fees — This category includes aggregate fees billed by our independent auditors for the audit of Titan's annual financial statements, review of financial statements included in our quarterly reports on Form 10-Q and services that are normally provided by the auditor in connection with statutory and regulatory filings for those fiscal years.

Audit-Related Fees — This category consists of services by our independent auditors that, including accounting consultations on transaction related matters, are reasonably related to the performance of the audit or review of Titan's financial statements and are not reported above under Audit Fees.

Tax Fees — This category consists of professional services rendered for tax compliance and preparation of Titan's corporate tax returns and other tax advice.

All Other Fees — During the years ended December 31, 2003 and 2002, Ernst & Young LLP did not incur any fees for other professional services.

The Audit Committee reviewed and approved all audit and non-audit services provided by Ernst & Young LLP and concluded that these services were compatible with maintaining its independence. The Audit Committee approved the provision of all non-audit services by Ernst & Young LLP.

Pre-Approval Policies and Procedures

In accordance with the SEC's new auditor independence rules, which became effective on May 6, 2003, the Audit Committee has established the following policies and procedures by which it approves in advance any audit or permissible non-audit services to be provided to Titan by its independent auditor.

Prior to the engagement of the independent auditor for any fiscal year's audit, management submits to the Audit Committee for approval lists of recurring audit, audit-related, tax and other services expected to be provided by the auditor during that fiscal year. The Audit Committee adopts pre-approval schedules describing the recurring services that it has pre-approved, and is informed on a timely basis, and in any event by the next scheduled meeting, of any such services rendered by the independent auditor and the related fees.

The fees for any services listed in a pre-approval schedule are budgeted, and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year. The Audit Committee will require additional pre-approval if circumstances arise where it becomes necessary to engage the independent auditor for additional services above the amount of fees originally pre-approved. Any audit or non-audit service not listed in a pre-approval schedule must be separately pre-approved by the Audit Committee on a case-by-case basis.

Every request to adopt or amend a pre-approval schedule or to provide services that are not listed in a pre-approval schedule must include a statement by the independent auditors as to whether, in their view, the request is consistent with the SEC's rules on auditor independence.

The Audit Committee will not grant approval for:

- any services prohibited by applicable law or by any rule or regulation of the SEC or other regulatory body applicable to Titan;
- provision by the independent auditor to Titan of strategic consulting services of the type typically provided by management consulting firms; or
- the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the tax treatment of which may not be clear under the Internal Revenue Code and related regulations and which it is reasonable to conclude will be subject to audit procedures during an audit of Titan's financial statements.

Tax services proposed to be provided by the auditor to any director, officer or employee of Titan who is in an accounting role or financial reporting oversight role must be approved by the Audit Committee on a case-by-case basis where such services are to be paid for by Titan, and the Audit Committee will be informed of any services to be provided to such individuals that are not to be paid for by Titan.

In determining whether to grant pre-approval of any non-audit services in the "all other" category, the Audit Committee will consider all relevant facts and circumstances, including the following four basic guidelines:

- whether the service creates a mutual or conflicting interest between the auditor and the Company;
- whether the service places the auditor in the position of auditing his or her own work;
- whether the service results in the auditor acting as management or an employee of the Company; and
- whether the service places the auditor in a position of being an advocate for the Company.

GENERAL

Management does not know of any matters other than those stated in this Proxy Statement that are to be presented for action at the meeting. If any other matters should properly come before the meeting, it is intended that proxies in the accompanying form will be voted on any such other matters in accordance with the judgment of the persons voting such proxies. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

Titan will bear the cost of preparing, printing, assembling and mailing the proxy, Proxy Statement and other material which may be sent to Stockholders in connection with this solicitation. It is contemplated that brokerage houses will forward the proxy materials to beneficial owners at our request. In addition to the solicitation of proxies by use of the mails, officers and regular employees of Titan may solicit proxies without additional compensation, by telephone or telegraph. We do not expect to pay any compensation for the solicitation of proxies.

Titan will provide without charge to each person being solicited by this Proxy Statement, on the written request of any such person, a copy of our Annual Report on Form 10-K for the year ended December 31, 2003 (as filed with the Securities and Exchange Commission) including the financial statements thereto. All such requests should be directed to Sunil Bhonsle, 400 Oyster Point Boulevard, Suite 505, South San Francisco, California 94080.

The Annual Meeting of Stockholders for the fiscal year ending December 31, 2004 is expected to be held in August 2005. APPENDIX A
AUDIT COMMITTEE CHARTER
OF
TITAN PHARMACEUTICALS, INC.

MISSION STATEMENT

The Audit Committee of Titan Pharmaceuticals, Inc. (the "Company") has been established by the board of directors of the Company (the "Board") to assist the Board in fulfilling its responsibilities to oversee the Company's financial and accounting operations. The Audit Committee will review and be responsible for, among other things, the Company's system of internal controls, its financial reporting process, the audit process, and the Company's processes for monitoring compliance with laws and regulations. In performing its duties, the Audit Committee will maintain effective working relationships with the Board, management, the Company's internal auditors, and the independent auditors. The Audit Committee will confirm with the independent auditor its understanding that it has access to the Audit Committee at any time.

ORGANIZATION AND MEETINGS

Audit Committee Composition

The Audit Committee shall consist of such number of members as the Board shall determine, but in no event less than three members. The Board shall designate one member of the Audit Committee to be the Chairperson. Each member of the Audit Committee must be independent, as defined under applicable Securities and Exchange Commission ("SEC") and stock exchange rules and regulations as they currently exist and as they may be amended from time to time.

Each member must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement or, if and so long as permitted under applicable stock exchange rules, become able to do so within a reasonable period of time after his or her appointment to the Audit Committee. Audit Committee members shall have such other qualifications as the Board may from time to time deem appropriate in light of the mission of the Audit Committee.

At least one member of the Audit Committee shall qualify as an "audit committee financial expert" in compliance with the requirements established under applicable SEC and stock exchange laws and regulations as they currently exist and as they may be amended from time to time.

Notwithstanding anything to the contrary in this charter, if permitted by applicable SEC and stock exchange laws and regulations in effect from time to time, one director who (i) is not independent as defined under applicable stock exchange rules, and (ii) is not a current employee or an immediate family member (as defined under applicable stock exchange rules) of such employee, may be appointed to the Audit Committee if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required in the best interests of the Company and its stockholders. In such event, the Board will disclose in the Company's next annual proxy statement the nature of that director's relationship with the Company and the reasons for that determination.

If the Company fails to comply with the Audit Committee composition requirements under applicable SEC and stock exchange rules and regulations, the Company shall have an opportunity to cure such defect as provided under such rules.

Term; Meetings

The Committee shall meet at least quarterly, or more frequently as it deems appropriate and as circumstances dictate. Any member of the Committee may call a special meeting of the Committee. Meetings of the Committee may be held telephonically.

The Committee shall periodically meet with each of management (including the Chief Financial Officer) and the independent auditors (including the audit engagement partner) in separate executive sessions to discuss any matters that the Committee or each of these groups believe would be appropriate to discuss privately. In addition, the Committee expects to meet with the independent auditors and management quarterly to review the Company's financial statements.

A-1

The Committee may invite to its meetings any director, member of management of the company and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

ROLE AND RESPONSIBILITIES

The Committee's primary responsibility is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the independent auditors are responsible for auditing those financial statements. The Committee also recognizes that financial management, as well as the independent auditors, have more time, knowledge and more detailed information on the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work. The Committee shall also perform any other activities consistent with this Charter as the Audit Committee or the Board deems necessary or appropriate or as may be required under applicable SEC and stock exchange rules and regulations in effect from time to time.

The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services provided that the decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.
