Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 26, 2007, Titan Pharmaceuticals, Inc. (the “Company”) announced that Dr. Marc Rubin will join its executive team as President and Chief Executive Officer commencing October 1, 2007. Dr. Rubin will report to the Board of Directors and will also be appointed as a member of the Board. Dr. Louis R. Bucalo, the Company’s founder and current Chairman, President and Chief Executive Officer, led the recruitment of Dr. Rubin, and will continue in his role as Executive Chairman of the Company’s Board of Directors.

Until February 2007, Dr. Rubin, 52, served as Head of Global Research and Development for Bayer Schering Pharma, as well as a member of the Executive Committee of Bayer Healthcare and the Board of Management of Bayer Schering Pharma. Prior to the merger of Bayer Pharmaceuticals and Schering AG in June 2006, Dr. Rubin was a member of the Executive Board of Schering AG since joining such company in October 2003, as well as Chairman of Schering Berlin Inc. and President of Berlex Pharmaceuticals, a division of Schering AG. His position included responsibility for three global business units, and oversight of global product development, including preclinical development, CMC development, medical development, medical affairs, safety and risk management, regulatory affairs and other support functions. From 1990 until August 2003, Dr. Rubin was employed by GlaxoSmithKline where he held positions of responsibility in global clinical and commercial development overseeing programs in the United States, Europe, Asia and Latin America. From 2001 through 2003, he was Senior Vice President of Global Clinical Pharmacology & Discovery Medicine. Dr. Rubin received his M.D. from Cornell University Medical College in 1980, and completed his internship and residency at The Johns Hopkins Hospital, and subspecialty training at the National Institutes of Health.

The Company has entered into an agreement with Dr. Rubin pursuant to which he will receive an annual salary of \$415,000 and will be eligible for an annual discretionary bonus of 0-50% based on the achievement of individual and company performance goals to be established by Dr. Rubin in consultation with senior management and approved by the Board of Directors. Upon joining the Company, Dr. Rubin will receive options to acquire 1,500,000 shares of the Company’s common stock, which options will vest monthly over a four-year period, subject to a requirement of at least 12 months of employment for the vesting of any options. Notwithstanding the foregoing, all unvested options automatically will become vested and exercisable immediately prior to the occurrence of a change of control. Dr. Rubin or the Company may terminate his employment at any time, for any reason by giving written notice to the other party. In the event his employment is terminated by the Company without Cause or by Dr. Rubin for Good Reason, as such terms are defined in the agreement, Dr. Rubin will be entitled to 12 months’ severance and if such termination occurs during the first year of employment, 25% of the options granted to Dr. Rubin will become immediately vested and exercisable. If such termination occurs after five years of employment, he will be entitled to 24 months’ severance.

There were no arrangements or understandings between Dr. Rubin and any other persons pursuant to which Dr. Rubin was selected as the Company's President and Chief Executive Officer and there are no family relationships between or among him and any executive officers or directors of the Company. The Company and Dr. Rubin are not parties to any transactions with related persons.

The Company has entered into an agreement with Dr. Bucalo pursuant to which he will continue to serve as Executive Chairman of the Company. Dr. Bucalo will receive an annual salary of \$375,000 during the first two years of the agreement and \$187,500 thereafter. Dr. Bucalo will be eligible for an annual discretionary bonus based on certain performance criteria established by the Board of Directors. The Company has agreed that Dr. Bucalo will receive options to acquire 150,000 shares of common stock at such time as it makes its next annual grant to all executive officers, which options shall contain customary terms and conditions for its annual grants. Dr. Bucalo or the Company may terminate his employment at any time, for any reason by giving written notice to the other party. In the event his employment is terminated by the Company without Cause or by Dr. Bucalo for Good Reason, as such terms are defined in the agreement, Dr. Bucalo will be entitled to 24 months' severance, the 150,000 options will vest in full immediately, and all of his other options will continue to vest in accordance with their respective vesting schedules during such 24-month period.

FOR IMMEDIATE RELEASE

**TITAN ADDS DR. MARC RUBIN TO EXECUTIVE
MANAGEMENT TEAM AS PRESIDENT AND CHIEF EXECUTIVE OFFICER**

South San Francisco, CA – September 26, 2007 – Titan Pharmaceuticals, Inc. (AMEX: TTP) today announced that Dr. Marc Rubin, M.D. will join Titan as President and Chief Executive Officer starting October 1, 2007. Dr. Rubin will also be a member of the Board of Directors.

Dr. Rubin was formerly the Head of Global Research and Development for Bayer Schering Pharma, and a member of the Executive Committee of Bayer Healthcare and the Board of Management of Bayer Schering Pharma.

Dr. Louis R. Bucalo, Titan's founder and current Chairman, President and Chief Executive Officer, who led the recruitment of Dr. Rubin, will continue as Chairman of the Company.

"We are very pleased to have Marc join Titan as President and CEO", stated Dr. Bucalo. "Marc's 18 years of industry experience and record of success in pharmaceutical development make him an exceptional industry leader, and an outstanding person to lead Titan forward to future achievements. Titan's several products in development, including iloperidone which completed Phase III testing for schizophrenia, Probuphine® in Phase III testing for opiate addiction, and Spheramine® in Phase IIb testing for advanced Parkinson's disease, as well as our other products in earlier stage development, provide a strong foundation for future growth. I and our Board of Directors have great confidence that Marc, together with our management team, will continue to drive our company forward to a successful future".

"I am delighted to join Titan and help lead the company forward", stated Dr. Rubin. "Titan is poised to enter an exciting phase and has built an excellent platform for future growth. With innovative programs spanning early and late stage development, we have a tremendous opportunity to provide significant advances in innovative new therapeutics".

Prior to his position at Bayer Schering Pharma, Dr. Rubin, was a Member of the Executive Board and President of Development for Schering AG, as well as Chairman of Schering Berlin Inc. and President of Berlex Pharmaceuticals, a division of Schering AG. His position included responsibility for 3 Global Business Units.

Before joining Schering AG, Dr. Rubin held several positions of increasing responsibility at GlaxoSmithKline, with development as well as commercial responsibility. There he had oversight of the development, approval and commercial strategy for numerous pioneering programs.

Dr. Rubin received his MD from Cornell University Medical College in 1980, and completed his Internship and Residency at The Johns Hopkins Hospital, and subspecialty training at the National Institutes of Health.

About Titan Pharmaceuticals

Titan Pharmaceuticals, Inc. (AMEX: TTP) is a biopharmaceutical company focused on the development and commercialization of novel treatments for central nervous system disorders, cardiovascular disease, bone disease and other disorders. Titan's products in development utilize novel technologies that have the potential to significantly improve the treatment of these diseases. Titan also establishes partnerships with government institutions and other leading pharmaceutical development companies. For more information, please visit the Company's website at www.titanpharm.com.

The press release may contain "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Such statements include, but are not limited to, any statements relating to the Company's development program and any other statements that are not historical facts. Such statements involve risks and uncertainties, including, but not limited to, those risks and uncertainties relating to difficulties or delays in development, testing, regulatory approval, production and marketing of the Company's drug candidates, adverse side effects or inadequate therapeutic efficacy of the Company's drug candidates that could slow or prevent product development or commercialization, the uncertainty of patent protection for the Company's intellectual property or trade secrets, and the Company's ability to obtain additional financing. Such statements are based on management's current expectations, but actual results may differ materially due to various factors, including those risks and uncertainties mentioned or referred to in this press release.
